

Dear Gov. Bredesen _____:

It's time we put Tennessee families and businesses first. The Food & Business Tax Fairness Act will help Tennessee and help locally-owned businesses thrive and prosper. By closing corporate tax loopholes that allow large, multi-state corporations to avoid their responsibility to the community, this act puts small businesses on a more level playing field while raising the funds needed to pay for another fiscally-responsible reduction in the state food tax.

Please vote "yes" for SB0502 / HB1450 by Sen. Burchett and Rep. Sargent. Name _____
