

Dear Senator _____:

Stop the cuts! Let's fund our government fairly and adequately. Modernize our tax structure by eliminating the food tax, cutting other sales taxes and replacing the Hall income tax with a broad-based, graduated-rate income tax. This will reduce taxes for 65% of Tennesseans, provide enough revenue to recover from many of the recent cuts and stimulate the economy so Tennessee can return to prosperity sooner.

Please vote for SB2054 / HB2182 by Sen. Reginald Tate
