

Are you looking for an engaging program for your next meeting?

Consider an interactive workshop on one of the most important issues facing Tennessee - state tax reform.

We've done workshops at:

- ★ Church groups
- ★ Neighborhood associations
- ★ Breakfast clubs
- ★ Union halls
- ★ Student groups
- ★ Singles clubs
- ★ Senior citizen groups
- ★ And many more...

 **We'd love to do
a workshop for
your local group.**

State tax reform

remains one of the most vital, yet least understood issues facing Tennessee.

TFT grassroots educators use participatory and interactive workshops to breakdown this complex subject without all the economic jargon.

In simple terms, they show the flaws of the current tax system and the benefits of proposed reform in an engaging and eye-opening way.

We promise to get your group talking, and keep them talking long after we're gone!
